Notice of Non-Pricing Child Care Program

Dear Parent of Guardian:

Our center participates in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP), which is administered at the state level by Bright from the Start Georgia: Department of Early Care and Learning. Please assist us in our participation in this program by completing and returning the attached Income Eligibility Statement Form with this application. This information is necessary so that Special Blessings Learning Center, Inc. may receive reimbursement for meals served to your child(ren). This form will be placed in our files and treated as confidential information.

If your household size/income is at or below the income limits on the attached document, the participant's meals are eligible for either free or reduced price reimbursement. In order for the center to receive reimbursement at the free or reduced price meal rate, the documentation in either Part 2A or 2B of the form is needed:

2A) FOOD STAMP / TANF / FOOD DISTRIBUTION PROGRAM ON INDIAN

RESERVATIONS (FDPIR) HOUSEHOLDS: If your household currently receives food stamps, TANF, or FDPIR benefits, your child's meals are automatically eligible for free reimbursement. Therefore, you only have to list the child's name and food stamp case number, TANF, or FDPIR identification number and sign the statement. The EBT card number is not an acceptable number. Please include the case number on your paperwork.

2B) HOUSEHOLD MEMBERS: List the name of the enrolled child(ren), and the child's parents or guardian, and any other dependent children who live in the household.

CURRENT INCOME: List the amount of income each person earned last month (before deductions for taxes, social security, etc.) the frequency of the income, and the source of the income, such as wages or retirement. If any household member's income last month was higher or lower than usual, list that person's usual average monthly income.

At a minimum please complete Part 1, Part 3A and 3B of the statement as the center is required to annually update these days and hours in which your child will be in care and the meals your child will receive.

3A) PARENTAL AGREEMENT: Indicate the hours and days that your child will normally be in the child care center. Circle the meals that the child will normally receive in care.

3B) SIGNATURE: An adult household member must sign the income eligibility statement.

SOCIAL SECURITY NUMBER: List the social security number of the adult who signs the income eligibility statement in order to qualify the child's meals for free or reduced meals. If the adult doesn't have a social security number, write "none".

If the enrolled child for whom the income eligibility state is being completed is a foster child, the household income should not be included on the statement, nor the per diem paid to the foster family for care of the child. Section 2C should be completed and only the actual income to the foster child should be listed.

Participants with family members who become unemployed are eligible for free or reduced price meals during the period of unemployment, to be within the eligibility standards for those meals.

Our center participated in the Child and Adult Care Food Program under the sponsorship of our legal corporation, Special Blessings Learning Center, Inc., approved by Bright from the Start Georgia to sponsor the day care centers

owned by the corporation. As such staff from the corporate office may contact you to verify the information listed on the Income Eligibility Statement or the enrollment and attendance of your child at the center. This contact may occur in the form of a letter or via phone. Household contacts are required by the federal regulations under various situations.

In the operation of USDA's food service programs, no one will be discriminated against because of race, color, national origin, sex, age or disability. If you believe that you have been discriminated against, write immediately to: USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call (800) 795-3272 or (202) 720-6382.
